

Do you have what it takes to become a
Certified Master Inspector®?

Certified Master Inspectors® are the very best of the best!

Only the best.

Certified Master Inspectors (CMIs)® are the best inspectors in the world. CMI is a professional designation available to all qualifying inspectors in North America who wish to become Board-Certified by the Master Inspector Certification Board. All CMIs are experienced, dedicated to education, and have a proven record in the inspection industry.

You need not be a member of any particular trade association. The Certified Master Inspector® professional designation is open to all qualifying inspectors in the U.S. and Canada.

Experienced.

All CMIs have completed at least 1,000 fee-paid inspections and/or hours of training and education combined.

Educated.

All CMIs have completed a minimum of professional education prior to being approved.

Established.

All CMIs have been in the inspection business for at least three years prior to becoming Board-Certified.

Vetted.

All CMIs have agreed to submit to periodic criminal background checks.

Professional.

All CMIs abide by the inspection industry's toughest Code of Ethics.

The Best.

Not everyone can become a Certified Master Inspector®.
Hiring a CMI means hiring the best.

A man with short, light-colored hair is seen from behind, looking at a large, brightly lit screen. He is wearing a dark blue t-shirt with the words "CERTIFIED MASTER INSPECTOR" printed in bold, yellow, sans-serif capital letters on the back. The screen displays a very bright, overexposed image that is difficult to discern, possibly showing a person or a scene. The background consists of light-colored wooden panels.

About the MICB

Certified Master Inspector (CMI)[®] is both a U.S. and Canadian registered trademark of the Master Inspector Certification Board, Inc. CMI is the inspection industry's top professional designation and is awarded to qualifying inspectors who have demonstrated the highest level of competency.

The Master Inspector Certification Board, Inc., is not a trade association. Certified Master Inspector[®] is not a membership level, nor do CMIs belong to any specific trade organization. Certified Master Inspector[®] is a professional designation available to all qualifying inspectors in the U.S. and Canada who wish to become Board-Certified.

Our Mission

By awarding the Continuing Education/experience-based Certified Master Inspector® professional designation, the Master Inspector Certification Board, Inc., supports the inspection industry's advanced education providers and encourages experienced inspectors to maintain excellence throughout their careers.
